

UI/UX Designer (m/f)

Be the missing link in our chain! Be part of our family!

Join **sunhill technologies GmbH** and influence the **future of mobility and payment** by fulfilling exciting and challenging projects. We are looking for motivated individuals to work on cutting-edge technologies with sunhill's big variety of partners. As a subsidiary of Volkswagen Financial Services AG, we keep the agile start-up spirit alive while leveraging the global reach of a worldwide successful automotive player.

What are you waiting for? Join our international team to manage, develop and scale mobile payment systems for a global market.

Your responsibilities:

- Define UI and UX of mobility solutions for Volkswagen Group
 - Define design and UX in collaboration with Volkswagen partners (smartphone apps, web portals, in-car integrations)
 - Coordinate and review UX tests, implement learnings
 - Support agile development process (SCRUM)
 - Ensure consistent and valuable end-customer experience
 - Track UX-KPIs and support continuous process improvement
- Coordinate and strengthen sunhill brand within Volkswagen Group
- Support product managers with beneficial UX/UI insight
- Ensure operational excellence and high team productivity/motivation/performance

You should be able to offer:

- More than 3 years of professional experience, preferably in the area of #mobilityServices #IT #SaaS #MobileApps #startups #automotive #consulting
- Experience with established Software tools for interactive prototypes (Sketch, Adobe XD, Photoshop, Illustrator, etc.)
- High quality work examples from previous projects
- Fluency in German and English necessary
- Strong team player and ability to lead & motivate your team members
- Excellent communication, organizational and analytical skills

The following skills are considered a "plus":

- Professional experience in app development
- Professional experience in mobile payment
- Professional experience in (agile) IT product development and operations
- Strong IT knowledge and understanding

What we can offer you:

- A young and international company culture in a start-up work environment
- Strong team spirit and regular team building events
- Strong company vision to build the global leader in digital parking
- “Flex-time” employment
- Competitive salary and additional performance-based rewards
- Support for further education, training and professional development
