# IT Project & Operations Manager (m/w)

Be the missing link in our chain! Be part of our family!

You are looking for team spirit, creativity and an openness to new ideas?

You have a passion for new technologies?

Then we are the right company for you to become a highly valued team member!

Join **sunhill technologies GmbH** and influence the **future of mobility and payment** by fulfilling exciting and challenging projects. We are looking for motivated individuals to work on cutting-edge technologies with sunhill's big variety of partners. As a subsidiary of Volkswagen Financial Services AG, we keep the agile start-up spirit alive while leveraging the global reach of a worldwide successful automotive player.

What are you waiting for? Join our international team to manage, develop and scale mobile payment systems for a global market.

You will be involved in the design and implementation of our state-of-the-art technical solutions:

- Overall technical project management and technical coordination
- Consulting with product management on technical solutions
- Communication with external partners, e.g. platform suppliers, energy providers, garage operators etc.
- Supervising solution implementation, incl. technical review
- Defining test protocols, quality control and assurance
- Additional: Implementation of testing protocols with developers

You should be able to offer:

- University Degree in Computer Science, Business Informatics or comparable with advanced programming experience in live services
- Experience in object-oriented programming with Java or C#
- Ability to query databases using SQL
- Communicative, able to convey technical details to business partners

What we can offer you:

- A young and international company culture in a start-up work environment
- Strong team spirit and regular team building events
- Top notch development environment, e.g. IntelliJ IDEA, GitLab, Jenkins
- "Flex-time" employment
- Competitive salary and additional performance-based rewards
- Support for further education, training and professional development

Have we made you curious? Then please send your application stating your earliest entry date to jobs@sunhill-technologies.com and help us develop mobility and payment solutions!

We are looking forward to meeting you!
