

Project Manager Brand Projects (m/w)

Join **sunhill technologies GmbH** and **influence the future of mobility and payment** by fulfilling exciting and challenging projects. We are looking for motivated individuals to work on cutting-edge technologies with sunhill's big variety of partners. As a **subsidiary of Volkswagen Financial Services AG**, we keep the agile start-up spirit alive while leveraging the global reach of a worldwide successful automotive player.

You are looking for team spirit, creativity and an openness to new ideas? You have a passion for new technologies? What are you waiting for? **Join our international team to manage, develop and scale mobile payment systems** for a global market.

You will be involved in the design and implementation of our state-of-the-art technical solutions:

- Operational Project Management of Volkswagen Group brand projects
 - Coordinate and prioritize activities of internal developers
 - Coordinate and communicate with our clients (i.e. the VW Group brands)
 - Project documentation in Jira and Confluence
 - Define and implement of Go-Live and rollout
 - Setup operations and support processes (2nd and 3rd level) / quality assurance
 - Track KPIs and implement continuous improvement
- Coordinate and strengthen collaboration with strategic partners
- Support management team in strategic projects and with key account management
- Ensure operational excellence

You should be able to offer:

- >2-4 years of professional experience, preferably in the area of #ProjectManagement #IT #SaaS #MobileApps #startups #automotive
- Academic background in business administration/ economics, information management, IT or any other equivalent academic degree

- Fluency in English, language skills in German and other languages are a plus
- Strong team player
- Excellent communication, organizational and analytical skills
- Proficiency in Microsoft Office (Word, Excel, Powerpoint)
- First experience with Project Management tools Jira and Confluence

What we can offer you:

- A young and international company culture in a start-up work environment
- Strong team spirit and regular team building events
- Strong company vision to build the global leader in digital parking
- "Flex-time" employment
- Competitive salary and additional performance-based rewards
- Support for further education, training and professional development

Have we made you curious? Then please send your application stating your earliest entry date to **jobs@sunhill-technologies.com** and help us develop mobility and payment solutions!
